Price Guide 2024

Thank you for choosing BRC

Established in 1979 and incorporated in 1983, BRC Group has grown into a leader in the research, development and manufacturing of high quality ergonomic office furniture. BRC is a Canadian-owned private company with modern manufacturing facilities in Georgetown, Ontario, Canada.

BRC is a forerunner in blending environmental initiatives with the manufacturing of renewable and recyclable products. BRC uses materials and manufacturing processes which virtually eliminate Volatile Organic Chemical (VOC) emissions in the office environment. Raw materials are responsibly sourced, assuring that only the best and most sustainable components are converted to finished goods. BRC is committed to developing and offering the best-value products for the middle and higher end markets.

From OEM solutions to obscure designer requests to simply striving to be better, BRC provides creative and innovative customized solutions to complement any environment and use. Flexible manufacturing offers the ability for BRC to respond to client's special needs rather than having standard catalogue solutions. A wide collection of textiles, laminate finishes and wood veneer allows companies and individuals to express their brand and culture through a unique signature look.

All furniture is designed and manufactured to meet or exceed ANSI-BIFMA standards. Standard construction uses a combination of 3/4" and metal to metal commercial grade connections for solid enduring assembly. The newest edge banding technology, in which the edge tape is melted directly to the edge of the board, enables BRC to manufacture products with virtually invisible glue lines.

The BRC Team works hard to earn and keep your business - our success depends on it. If you have any questions or inquires, please contact us at info@brc.group or toll free at 1-877-260-4309.

We appreciate your business and look forward to hearing from you.

Warranty, Terms & Conditions

BRC is pleased to offer one of the most competitive warranties in the industry. All furniture products carry a 12 year limited structural warranty. BRC furniture panel and table electrical cabling carry a 3 year limited warranty. All moving user adjustable components carry a 5 year limited structural warranty. All other electrical or electronic elements of BRC furniture carry a 1 year limited warranty.

For full warranty details, terms and conditions, please visit www.brc.group/warranty

Shipping Rates & Policies

Shipping costs are calculated based on net order value and destination. In many cases, the freight cost may be included in your order. For detailed information, visit our website at www.brc.group/freight

Power Module Guidance & Ordering

Orders with Power

Power modules are optional when ordering tables. Prices should be added in addition to the table price according to the “Power Options” pages for each product. When ordering a table that requires power, simply follow these steps:

Step 1 - On the first line of the purchase order, indicate the Item code with width, depth and laminate type, these items are required to be specified.

Step 2 - At the end of the table code add the option if required (in this example, “CC”). If selected add the option charge to the table price.

Step 3 - Specify the power options on the second line of the purchase order, Line 1.1. Add multiple lines for additional power options (eg. Line 1.2).

LINE 1	TABLE	ITEM CODE	WIDTH	DEPTH	LAMINATE	OPTION
		TFRTT	W96	D48	M1	CC
LINE 1.1	POWER & DATA	POWER OPTION	FINISH / TRIM FINISH / COVER CODE	BODY FINISH / OPTION	POWER QTY	
		AF2RE	SLV	D	1	

A complete order code including power and the optional curved corner for the above is: **TFRTT W96 D48 M1 CC AF2RE SLV D 1**

Orders without Power

When ordering a table without power, omit the power and data section:

LINE 1	TABLE	ITEM CODE	WIDTH	DEPTH	LAMINATE	OPTION
		TFRTT	W96	D48	M1	CC
LINE 1.1	POWER & DATA	POWER OPTION	FINISH / TRIM FINISH / COVER CODE	BODY FINISH / OPTION	POWER QTY	
		AF2RE	SLV	D	1	

A complete order code without power and optional curved corner for the above is: **TFRTT W96 D48 M1 CC**

Finish Abbreviations

The following abbreviations are used throughout this guide and can be specified when ordering.

Finish	Abbreviated Code
Black	BLK
Silver	SLV
White	WHT
Anodized Aluminum	BAA
Stainless Steel	BSS
Grey	GRY
Orange	ORN
Red	RED
Green	GRN
Blue	BLU

General Specifications

Summary

BRC's tables series product can be used as an effective way to add boardroom, meeting and occasional workspaces to any office environment. The information on this page applies to all items in this price guide. For specific information on the product type, consult its section specification page or its individual product page.

Corner Options

Standard configurations include square corners but can be configured with 3" radius corners as an optional upcharge.

Laminates

Most laminates are available in matching low pressure (LPL) and high pressure (HPL) finishes in 1.00" and 1.25" thick material with 2.5mm edge trim. Consult BRC's current finish line up for specific details on availability at www.brc.group/materials. When specifying laminate top finish codes, the code applies to the worksurface or top of product only. These codes are:

M1 - Indicates 1.00" thick LPL laminate

H1 - Indicates 1.00" thick HPL
(actual thickness is 1.125")

K1 - Indicates 1.25" thick HPL laminate with knife edge

Custom Sizing

BRC has built a reputation on custom tailored product based on our standard offering. Most items can be ordered in sizes that are not listed in this price guide, especially sizes that are between the minimum and maximum sizes offered. Please contact your BRC representative to help with your custom project.

Cleaning & Maintenance

BEST PRACTICES

To keep your furniture products looking their best, BRC recommends the following general care and maintenance:

Low Pressure (LPL) LAMINATES Cleaning:

Dust laminated surfaces off prior to cleaning. Wet a damp cloth with water, a mild soap or one of our approved cleaning products. Do not use abrasive cleaners as they may scratch or affect the surface appearance. Wipe the surface with the grain (where applicable) using a dry soft cloth.

Approved cleaning products: Glass Plus®, Dawn®, Pledge®, Mr. Clean®, Windex®,

For disinfecting surfaces use products such as: LYSOL®, VIREX®, PURELL®, VIROX®

After use of the above disinfectants ensure that the surfaces are wiped with a damp cloth to remove any product residue.

Take note that any product with Hydrochloric, Sulfuric, or Phosphoric acid may permanently damage the surface. Abrasive elements and excessively acidic or alkaline solutions should be avoided. Prolonged exposure to wet surfaces and/or direct contact with water should be avoided.

High Pressure (HPL) LAMINATES Cleaning:

Dust laminated surfaces off prior to cleaning. Wet a damp cloth with water, a mild soap or one of our approved cleaning products. Do not use abrasive cleaners as they may scratch or affect the surface appearance. Wipe the surface with the grain (where applicable) using a dry soft cloth.

Approved cleaning products: Glass Plus®, Dawn®, Pledge®, Mr. Clean®, Windex®,

For disinfecting surfaces use products such as: LYSOL®, VIREX®, PURELL®, VIROX®, Fantastik®, multi-surface disinfectant, Clorox® Disinfecting Wipes, Caviwipes™, Cavicide™

After use of the above disinfectants ensure that the surfaces are wiped with a damp cloth to remove any product residue.

Take note that any product with Hydrochloric, Sulfuric, or Phosphoric acid may permanently damage the surface. Abrasive elements and excessively acidic or alkaline solutions should be avoided. Prolonged exposure to wet surfaces and/or direct contact with water should be avoided.

Acrylic Tiles And Panels:

Dust regularly to keep surfaces free of dust particles. Clean any dirt or stain with a damp cloth. Do not use chemical cleaners or window cleaners as it may alter or permanently affect the surface appearance.

Tempered & Laminated Glass:

Dust regularly to keep surfaces free of dust particles. Clean any dirt or stain with a damp cloth. Do not use chemical cleaners or window cleaners as it may alter or permanently affect the surface appearance.

Edge Trim:

To remove minor scuff marks and general dirt from bases and connectors, use warm water and a soft cloth. Do not use harsh abrasive cleaners, as they may cause permanent scratches on the surface.

Painted Metals:

Clean these products, use a damp cloth, using only a small amount of lukewarm water if necessary. Abrasive elements and excessively acidic or alkaline solutions should be avoided. Prolonged exposure to wet surfaces and/or direct contact with water should be avoided.

Standard Fabrics:

Standard Care Label W-S. Clean with water based cleaning agents, foam or pure, water free solvents. Vacuuming or light brushing is recommended to prevent dust and soil buildup.

Bleach Cleanable Fabrics:

Bleach is an effective disinfectant, which means it kills most bacteria, fungi and viruses. When fabrics need to be disinfected or sterilized, use a 1:10 household bleach-to-water solution.

Do not saturate or soak furniture with cleaner

Use spray or damp cloth only

Wipe with damp cloth using fresh water after cleaning

Conference Tables

For more than 20 years, BRC’s Architectural Base Tables were a staple in our product line-up, even going so far as to manufacture these tables for our OEM partners. Building on that history, BRC introduces its new line of boardroom tables called Nova. Updated bases, table shapes and wire management take your boardroom to the next level without breaking the bank. Our new disc base addition and also the updated Fit and Panel tables offering round out our extensive boardroom and meeting table selection.

Conference Tables Section Guide

Summary

Table sections are driven by the overall table width. Regardless of the base type, all tops are sectioned as below.

From 72" up to 96" width, the table will be one section only. From 108" up to 192" width, the table will be in two sections. From 204" up to 288" width, the table top will be three sections.

Power & Data Locations: Conference Tables

Summary

By default, electrical modules for Fit, Nova and Disc base, when specified from this price guide, are located in the center of each section. A sample of their location is shown in the following drawings.

Single Section Table

Only one power module can be selected and it will be located as shown below:

Dual Section Table

Only two power module can be selected and it will be located as shown below:

Three Section Table

There is option to choose either one , two, or three power modules and based on the selection it will be located as shown below:

Wire Management: Nova Base Tables

Rectangle Nova Base Tables

Tables include wire management through the modesty and base as standard.

Triangle Nova Base Tables

Tables include wire management through the modesty and base as standard.

Wire managers will be included with any purchase of power modules. Cable management coils & power bars can be ordered separately from Accessories Price Guide.

Wire Management: Fit & Disc Base Tables

Fit Table

Under table wire management is included when tables are specified with a power module. Wire management to the floor is not provided and can be tailored to the installations individual requirements. Wire coils, spines and other solutions can be specified using BRC's Accessories Price Guide found on our website.

Disc Base Tables

Under table wire management is included when tables are specified with a power module. Wire management to the floor is not provided and can be tailored to the installations individual requirements. Wire coils, spines and other solutions can be specified using BRC's Accessories Price Guide found on our website.

Wire managers will be included with any purchase of power modules. Cable management coils & power bars can be ordered separately from Accessories Price Guide.

Wire Management: Panel Base Tables

Panel Base Table

Under table wire management is included when tables are specified with a power module. Wire management to the floor is not provided and can be tailored to the installations individual requirements.

Wire managers will be included with any purchase of power modules. Cable management coils & power bars can be ordered separately from Accessories Price Guide.

Wire Management: Wall-Mount Conference Tables

Wall-Mount Conference Tables

Under table wire management is included when tables are specified with a power module. Wire management to the floor is not provided and can be tailored to the installations individual requirements. If required, a grommet option is available to run cables from underneath to above the worksurface to accommodate wall mount electronics or similar. The grommet is centered and distanced four inches from the wall as shown below. Specify 'GC' when ordering.

Features & Specifications

No Charge Options

- Laminate codes - M1: 1" LPL, H1: 1" HPL, K1: 1.25" knife edge (top only)
- Base laminate is 3/4" LPL
- Wire management in each leg
- Height is 29" nominal, including levellers
- 108" Wide top and larger is in two sections with seam
- Available in all standard laminates and metal finishes

POWER & DATA	For detailed specification, cover code finishes, data and telecom options, and pricing of each electrical modules please refer to page "Power & Data Options".				
AF2RE 	Finish: Black (BLK), Silver (SLV), White (WHT), Anodized Aluminum (BAA), Stainless Steel (BSS)	AF3AE 	Trim Finish: Black (BLK), Silver (SLV), White (WHT)	AU2FE 	Cover Code: F-AL, F-S, F-B, F-W
	Option (Data & Telecom): A, B, C, D, E, F, G, H, J, K		Body Finish: White (WHT), Gray (GRY), Black (BLK), Orange (ORN), Red (RED), Green (GRN), Blue (BLU)		Option (Data & Telecom): C, K

Wire Management & Power & Data Location: Media Tables

Wire Management

Wire management for media tables can be accommodated through the back panel and the front base. Both have removable panels for easy wire access and routing. Wire managers (AWMCA) are included with tables that are ordered with power modules. Additional items, such as power bars, are not included but can be ordered separately, if required, using the Accessories Price Guide on BRC's website.

Power Locations

By default, electrical modules, when specified from this price guide, are located as per below. If one electrical module is specified it will be located on the center. If there are two specified, they will be distanced equally in the center.

Parsons Table

Great touchdown areas start with great furniture and BRC delivers with its Parsons Table. Available in all BRC standard laminates including our antibacterial options that are perfect for communal spaces. Unique under mount power options provide a clean worksurface for users while providing data and electrics needed for today's electronics. Integrated wire management keeps it looking clean and organized.

Power Options: Parsons Tables

AU2AE: 210 Undermount

AU2AE

Wire Management: Parsons Tables

Wire Management for AF2AE & AT1FE Power Modules

Wire Management for AU2AE Power Module

Horizontal wire managers (AWMCA) are included with power modules. Power bars and other vertical wire managers can be ordered separately from Accessories Price Guide.

Power Location: Parsons Tables

AF2AE & AT1FE

When power modules AF2AE and AT1FE are specified, the default location for one, two, three or four modules is shown below:

AU2AE

When power module AU2AE is specified, the recommended location for one, two, three or four modules is shown below. These undersurface modules do not have pilot holes in the worksurface for mounting and therefore can be placed at any point under the surface as required.

Wire Management & Power & Data Location: Casual Tables

Wire Management

Wire managers will be included with any purchase of power modules. Cable management coils & power bars can be ordered separately from Accessories Price Guide.

Power Locations

By default, electrical modules, when specified from this price guide, are located as per below. If one electrical module is specified it will be located on the center. If there are two specified, they will be distanced equally in the center.

Training Tables

BRC launches our most versatile table for conference, training, cafeteria or breakrooms where mobility is crucial - introducing BRC Training Tables. Training Tables deliver outstanding value with standard locking casters, one handed flipping mechanism and a one inch thick LPL or HPL worksurface. Each frame is designed so that multiple tables can be nested together and stored easily out of the way ready for the next conference or training session. For flexibility, training tables are available with surface mounted power options or robust daisy chain power allowing multi-unit connection from a single source.

	TGNGA

Features & Specifications

- No tools required for operation after installation
- Includes one set as shown
- Finished in black

When ganging is required with any Nest Table, order the ganging brackets as an option with the table. This provides pre-drilled holes for the brackets and makes installation much easier.
