

ROUILLARD —ZETTI

Inspired by a streamlined mid century modern aesthetic, our Zetti Table collection offers liberating fabrication options. Go geometric, opt for a water drop shape, or choose from paperclip, straight or slanted legs, as well as quality finishes to design the perfect table or desk. Plus, lounge and working heights make our Zetti line perfect for conference tables, desks, occasional tables, side tables or accent pieces. With the distinctive reverse knife edge as an option, Zetti Table pieces have a sleek and light-handed look.
