

AYLES™

BENEATH
THE SURFACE

Constructed with a back suspension that conforms to the shape of the user’s back, Ayles offers optimal lumbar support. The optional ottoman’s functional design ensures users have their feet up in the proper position while using a laptop or tablet.

CRISP DESIGN, COOL COMFORT

With the modern workplace moving towards flexibility and collaboration, Ayles fuses business and relaxation with design. Ayles works everywhere from waiting areas to libraries and informal meeting spaces to executive offices. Drawing inspiration from the Ayles Ice Shelf in the Canadian Arctic, Ayles is a contemporary lounge chair designed with mid-century modern style in an ergonomic and attainable package.
